Overview

Katie Whitaker serves as a paralegal for the firm's worldwide aircraft financing, title and registration practice, where she is part of a team dedicated ensuring that client interests in aircraft, engines and helicopters are protected and in compliance with the Cape Town Convention on Mobile Interests in Mobile Equipment and the Aircraft Protocol. Her responsibilities include obtaining priority search certificates, requesting and consenting to professional user authority, and registering all forms of interest on the International Registry.

Katie brings 10 years of hands-on experience in the records management and storage industry to her current position, having previously worked for a privately owned business records storage company and in the records management departments for two large law firms. Her prior work experience also includes working as a senior tech for a veterinary emergency hospital, where her responsibilities included both animal care and recordkeeping and administrative duties.
